AWSNA 2024-2029 STRATEGIC PRIORITIES

Year 1 At-A-Glance

AWSNA is committed to:

- vitalizing initiatives that support teachers and leaders and inspiring organizational cultures that attract, develop, and retain exceptional personnel.
- · advancing sustainable practices that promote organizational prosperity in service of and for the well-being of both people and planet.
- · modeling effective collaborative practices, re-imagining regional work, and elevating the self-study experience for the benefit of all members.
- · leaning into the future of Waldorf® education by increasing our participation in the international Waldorf-Steiner movement, strengthening our collaboration with the Public Waldorf movement, and expanding our visibility and influence.
